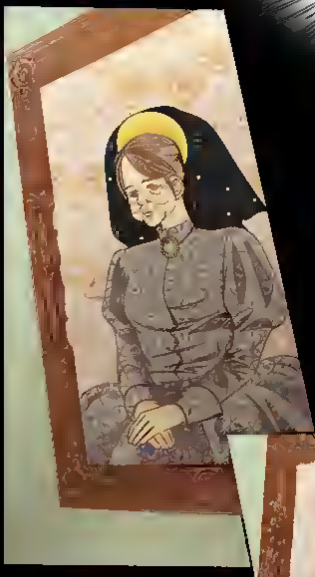
This place is...

is not a room
but a corridor?

And all the pictures hanging on the wall are...



portraits of old ladies?

Finally...

Now is the time to explain things to you, Allen.
Duke Montrose who appeard by leaning on the wall
Father, you look uncomfortable. You should just stand...

sfx: shake shake

small text: He is trying to look cool as much as possible

Normal curses that we know...
only belong to the people who was cursed.
but there is a "curse for eternity".

Our household was cursed with the latter.

On that day, four hundred years ago,

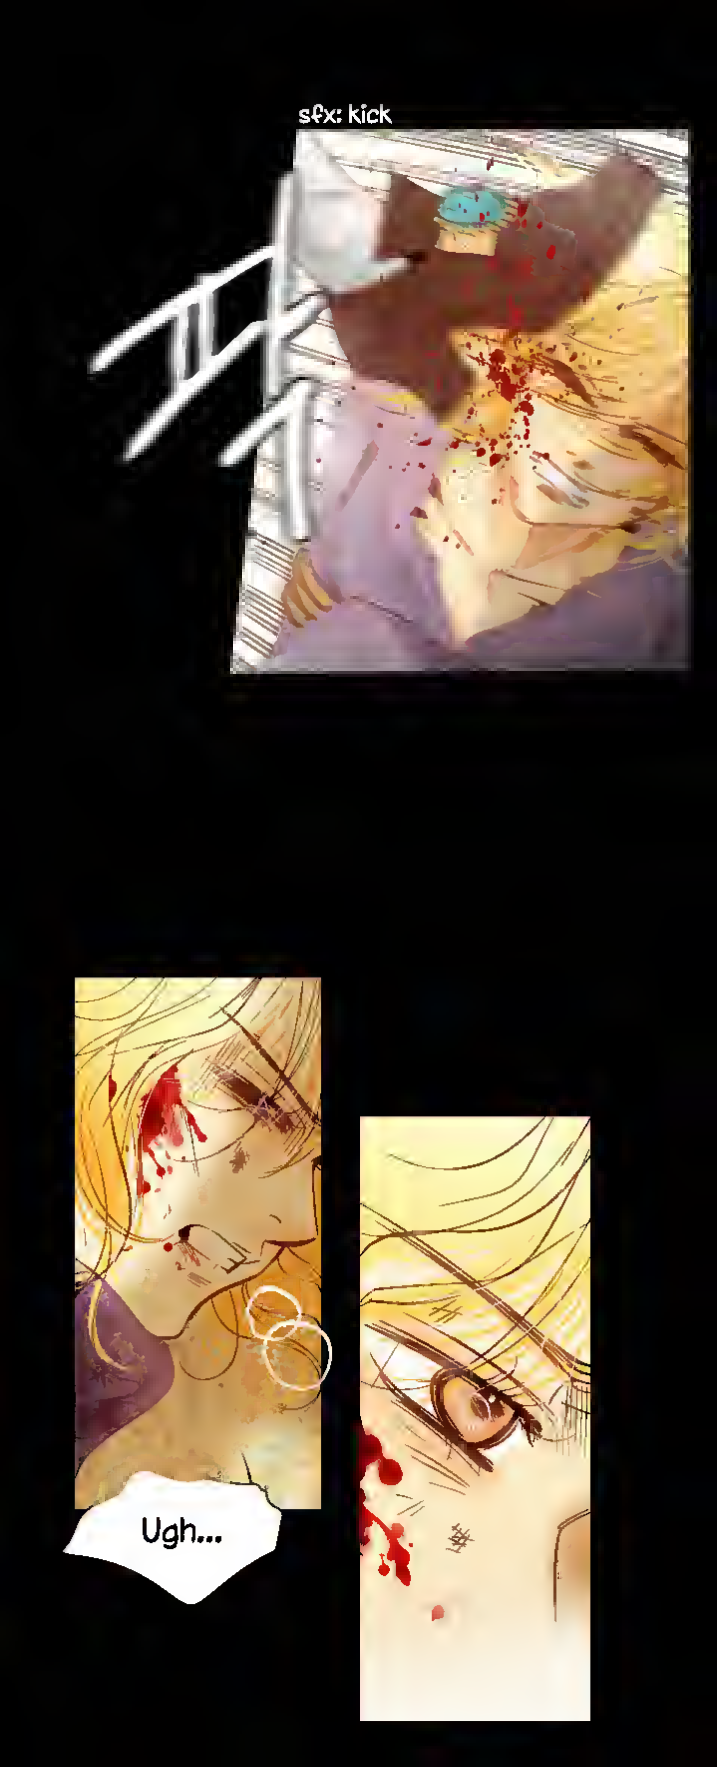
back in the days when witch hunts were popular-

Our ancestor, Duke Robert Montrose...

Arrested astrologer Irenne as a witch whose patron was our enemy, Duke Everton.

Everton was very interested in occult and he was scheming on having him punished as a heathen who sponsored a witch.

I only observed and researched stars because they were beautiful...
SHUT UP!
Everton tried to summon a demon and to do so, he slept with you, a young and fresh witch, right?
No, no... it never happened. Never. He wouldn't do a thing like that.
I don't care if it's a lie or not. If you say yes, I will grant you an easy death.
I cannot acknowledge a lie. Duke Everton is really a nice man.



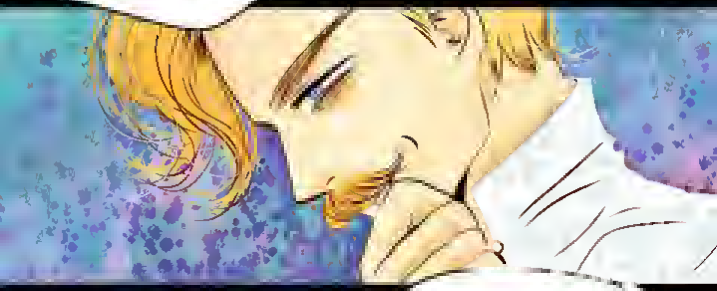
sfx: kick
Ugh...

If it's a young and fresh girl... don't you go crazy about that, duke Montrose?
WHAT?!
It is a very well known fact that you kidnap young girls from the village and rape them, and threaten unmarried woman into giving their bodies to you.
Haha! So? What about it?

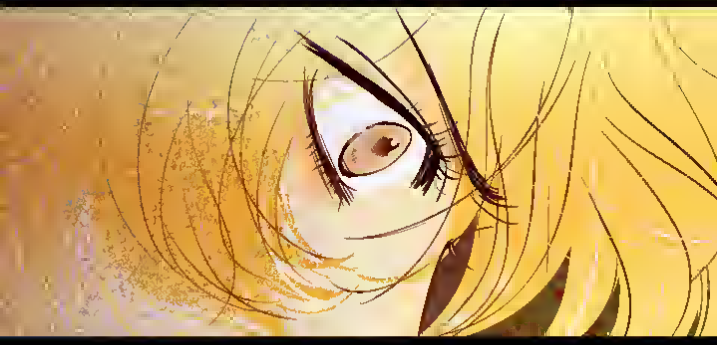
That's something really obvious?
크크크
A handsome man like me who is young and healthy...
should play with young and fresh women. Would I be attracted to an old woman who is full of wrinkles and age spots? Would that be possible for a pretty guy like me?
Narcissism in this family started from 400 years ago...

I hate old women... They will be executed as soon as I see their ugly faces.
Yesterday, there was an old woman who said that she was your neighbor and she ran into my carriage, crying out for me to spare you.
You are not a witch, so I should let you go, she says...

I got off the carriage and cut her head off with a sword!

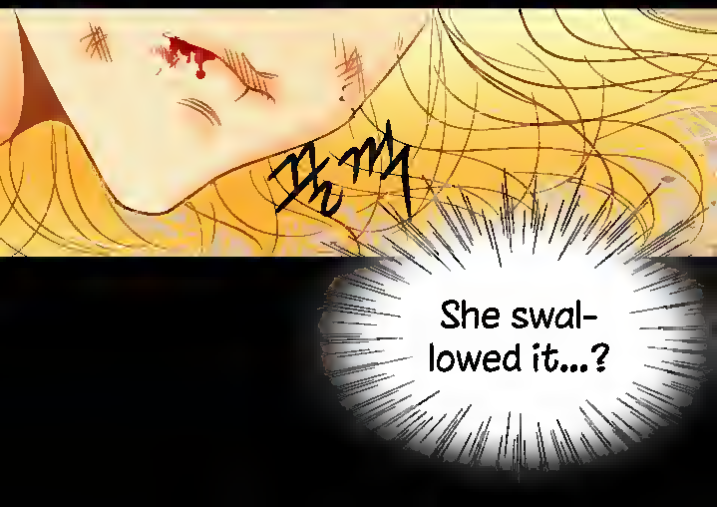


It was really funny to see the head rolling around on the ground... Hahaha...



Ha...

Hahahaha...
Huh? Why does she have my button in her mouth?



She swal-lowed it...?

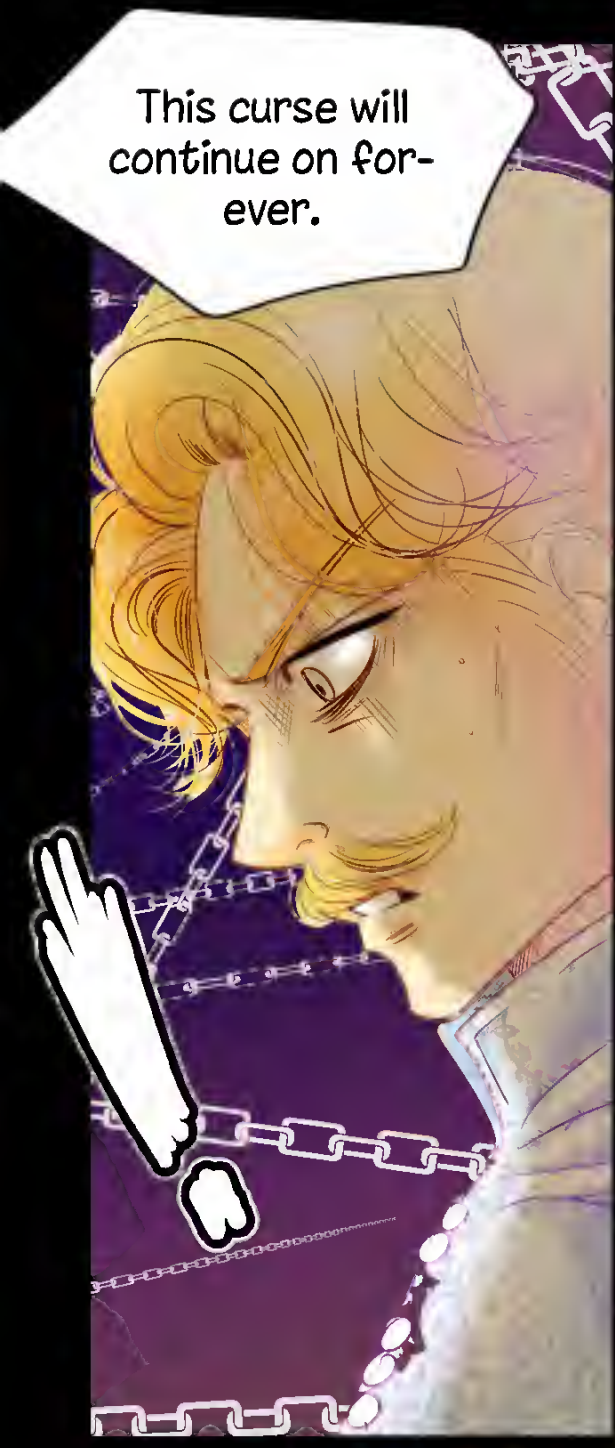
WHAT ARE YOU DOING?!
WHAT IS THAT BEHIND YOU?!
YOU ARE DRAWING SOMETHING WITH YOUR DIRTY BLOOD!
Wait...

That is?

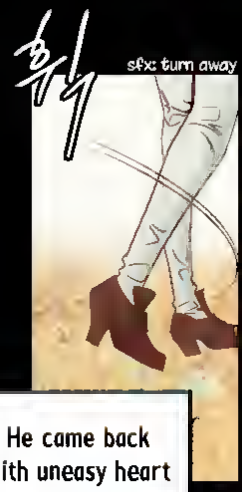
WHAT... WHAT IS THAT?!
WIPE OFF THAT EVIL DRAWING NOW!!

From now on, you are going to...

Fall for old women whom you hated. Old women who are sick and wrinkled and has a faint fire of life left.
You will avoid young women, so it will not be easy to have off-spring.
If you leave an off-spring, your great grandson and the grand-son after that, until your household all die...



This curse will continue on for-ever.



YOU ARE GOING TO BE BURNT TO DEATH TOMORROW, SO GET READY TO DIE!

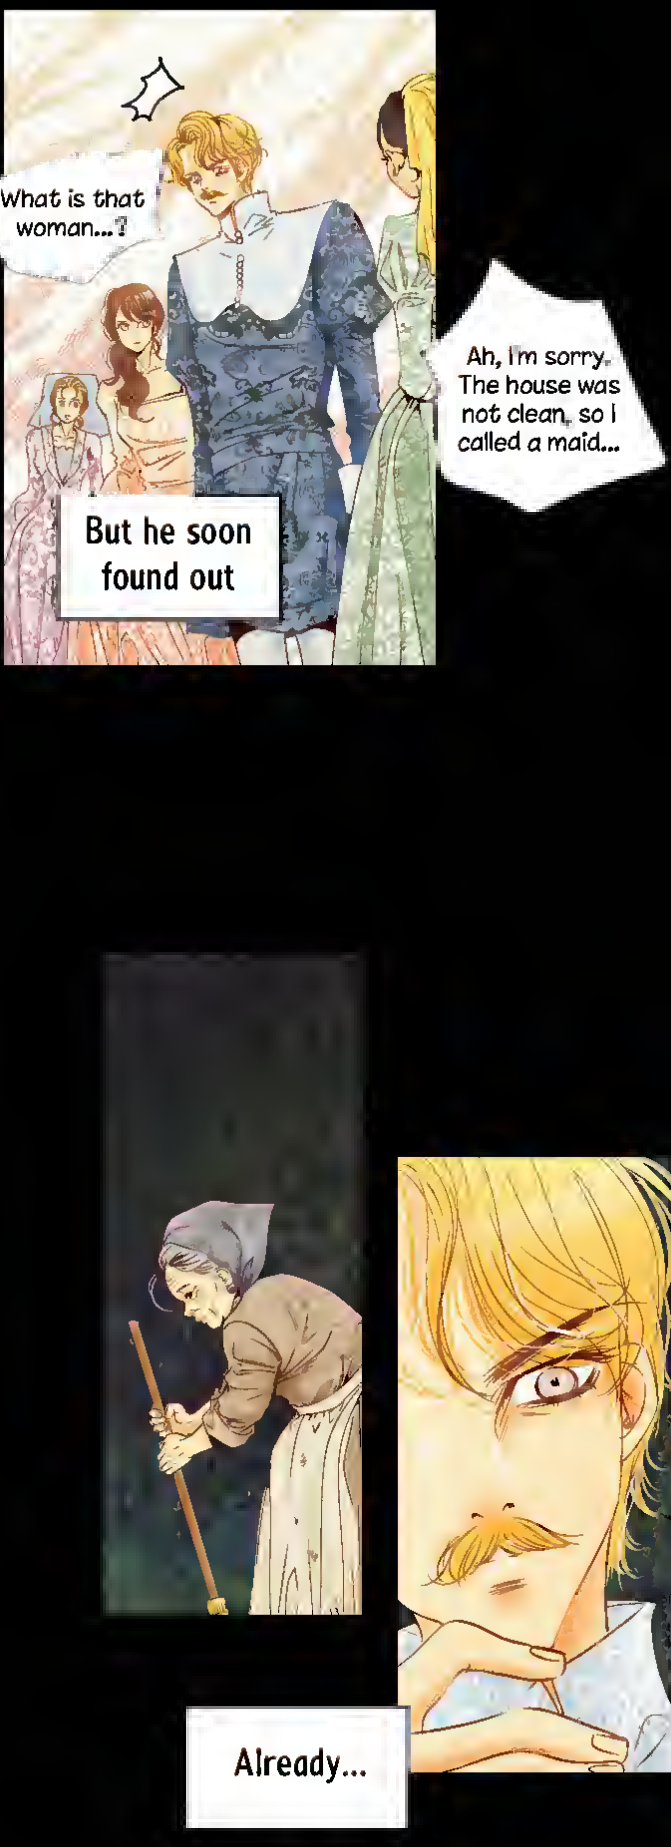
He came back with uneasy heart to the mansion.

He thought that a curse of a witch like that would not work on a faithful man like him.

Duke, what about your meal?

I prepared a bath for you.

Do you want something to drink?



What is that woman...?
Ah, I'm sorry. The house was not clean, so I called a maid...
But he soon found out
Already...

Damn, damn it. What is this...?

It can't be changed.

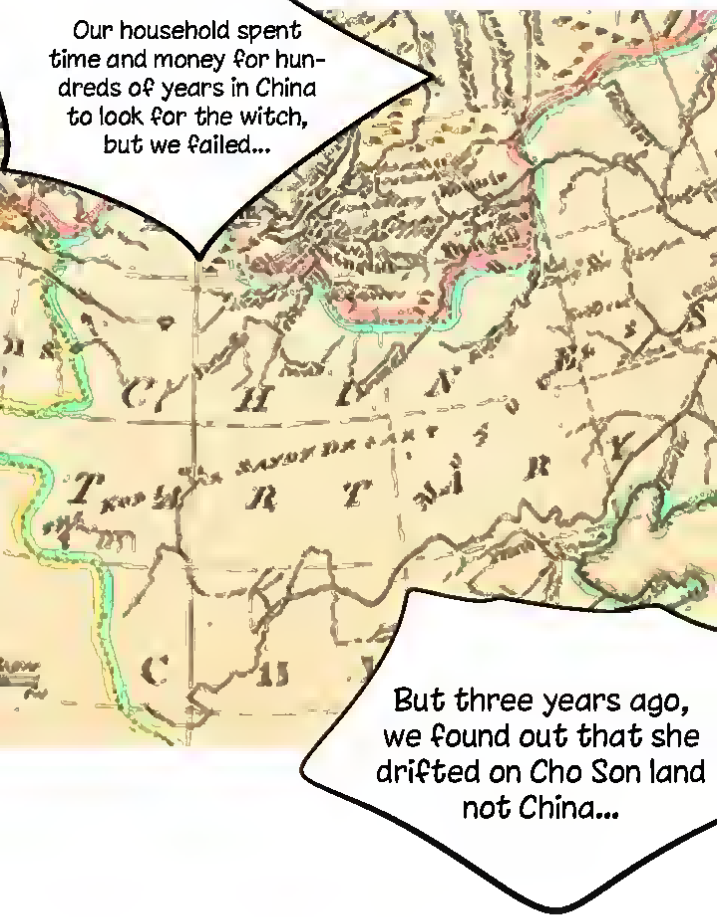
She is beautiful... I feel like my heart is going to explode...!

할매입덕

small text: He is an otaku for old women

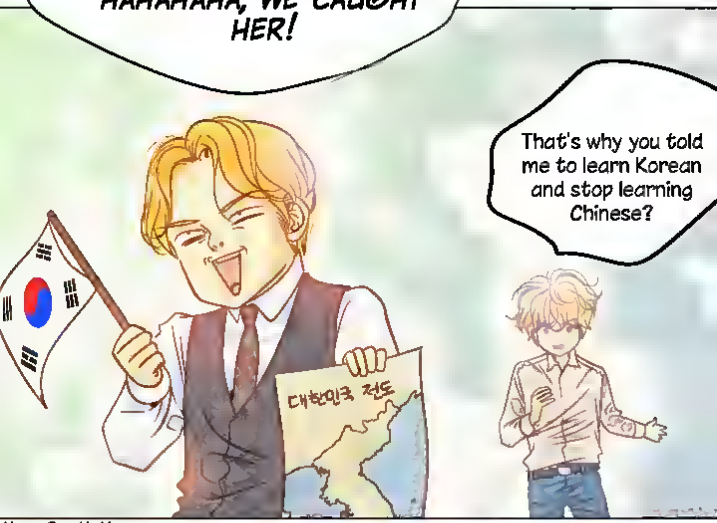
The curse already began.
He tried to run to the witch to get the curse lifted.
What? The witch escaped?
The soldiers who were bought by Everton made her escape without us finding about it.

At that time, Irenne was helped by Everton and escaped and was running to the a village near part.
She vanished after getting on the merchant ship for China. That is all that we knew about her.



Our household spent time and money for hundreds of years in China to look for the witch, but we failed...
But three years ago, we found out that she drifted on Cho Son land not China...

AND WE SEARCHED SOUTH KOREA FOR THE DESCENDANT OF THE WITCH AND FOUND ONE PERSON REMAINING. PU-HAHAHAHA, WE CAUGHT HER!



Map: South Korea map

But usually 'a curse on a noble family' is...

Something antique and grotesque but elegant...

Like a curse that you turn into a wolf when there is a full moon,

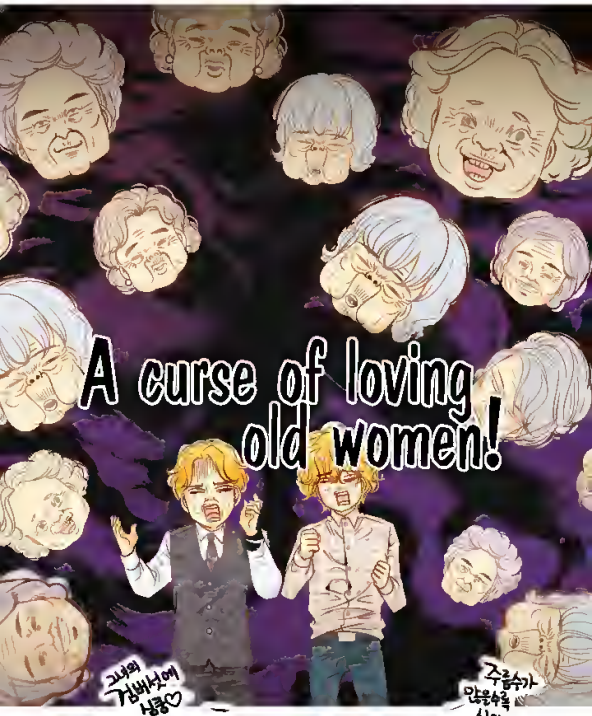
or become a sexy vampire which is hungry for blood,

I'm sorry, my love...

or a sad curse where you suddenly have wings growing out from your back...

sfx: Uwaaaa

But why does our household have...

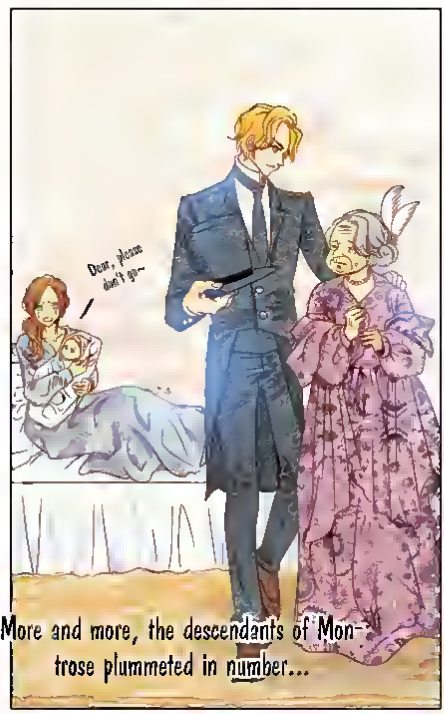


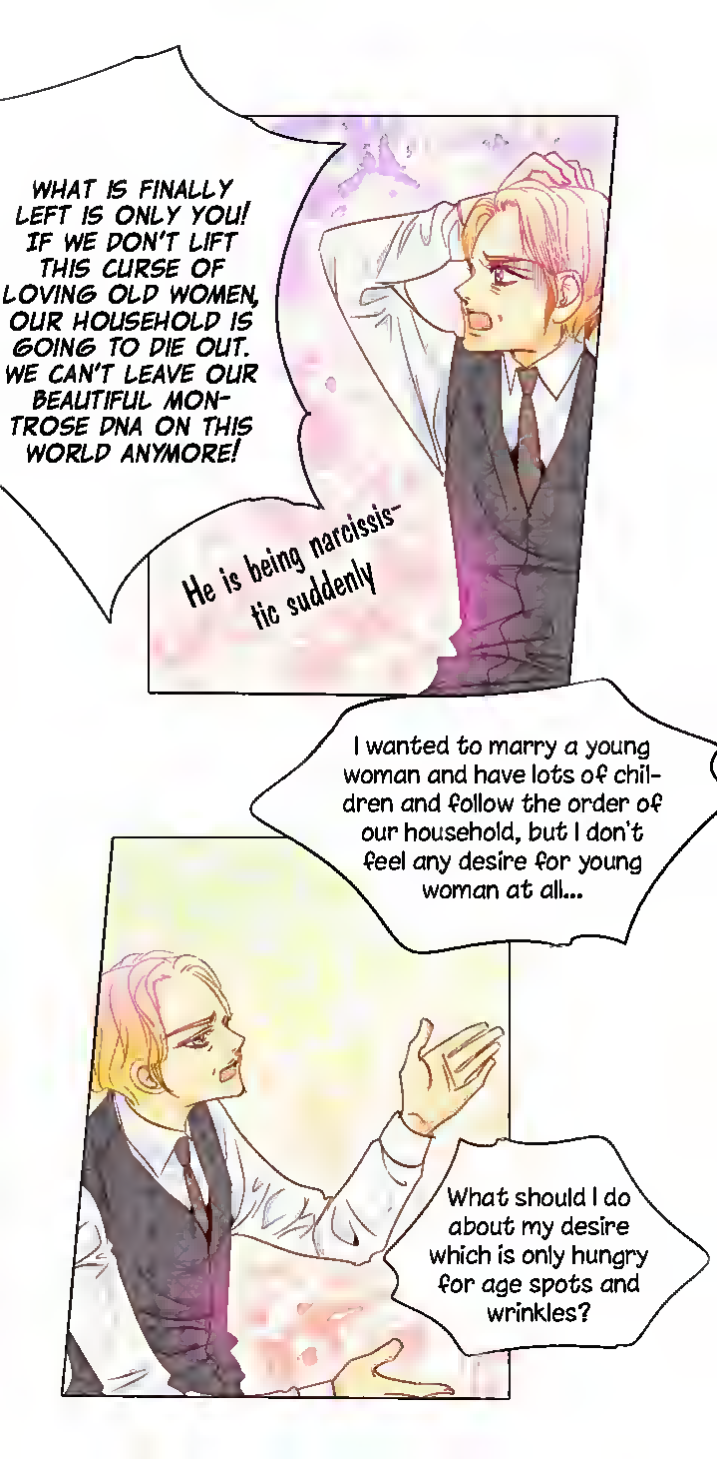
My heart beats fast for her age spot (left)
She is more lovely if she has lots of wrinkles T_T (right)

People didn't think that it was a curse, but said that we are perverts,

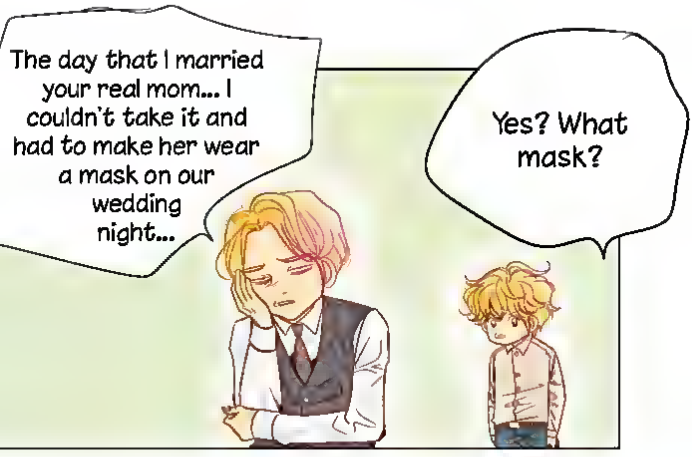
they didn't want to marry us, so it was hard for us to marry, and even if we marry a young woman, having a child is even harder.

As you know, to us, a young woman looks like a child. It is hard to touch them...





WHAT IS FINALLY LEFT IS ONLY YOU! IF WE DON'T LIFT THIS CURSE OF LOVING OLD WOMEN, OUR HOUSEHOLD IS GOING TO DIE OUT. WE CAN'T LEAVE OUR BEAUTIFUL MONTROSE DNA ON THIS WORLD ANYMORE!
He is being narcissistic suddenly
I wanted to marry a young woman and have lots of children and follow the order of our household, but I don't feel any desire for young woman at all...
What should I do about my desire which is only hungry for age spots and wrinkles?



The day that I married your real mom... I couldn't take it and had to make her wear a mask on our wedding night...
Yes? What mask?

Mm... it's going to be adult rated if I tell you more, so...
I_am_not_telling
AH, THEN YOU SHOULD HAVE NEVER BROUGHT IT UP!

I spent all my life to find the the descendant of the witch,
so now it's your turn to deal with it, Allen.

If there are three things, that can lift the curse...

1. An ounce of blood from the witch who cast the curse, or her descendant
2. The book of the witch
3. Goodwill of the witch

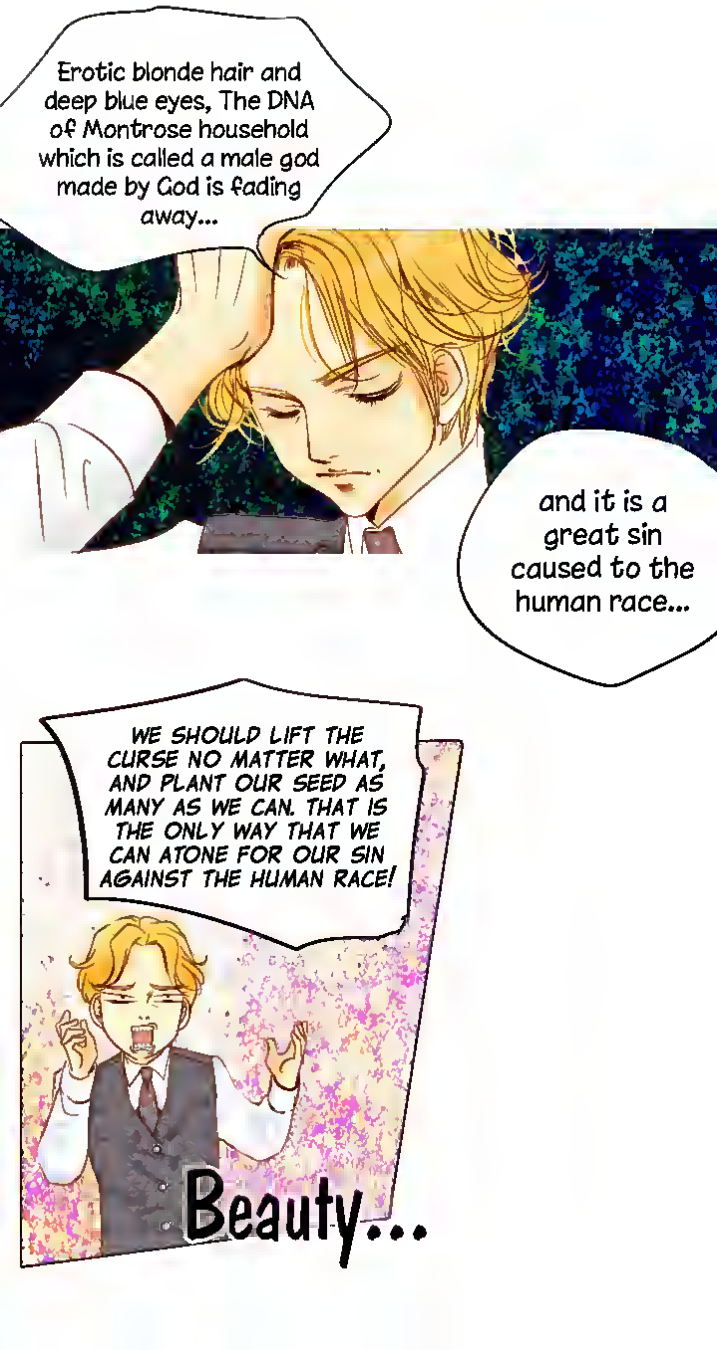
The descendant of the witch is managing a small workshop after her mother died...

First make her have a goodwill toward you and the rest will follow itself.

Let's stop putting portraits of our lovers in a hidden room like this.
Let's live a life where we can love normally and have children normally,

and so we should not commit any more crime to the human race...

WHAT? CRIME TO THE HUMAN RACE? WHAT SIN HAVE WE COMMITTED?!



Erotic blonde hair and deep blue eyes, The DNA of Montrose household which is called a male god made by God is fading away...
and it is a great sin caused to the human race...
WE SHOULD LIFT THE CURSE NO MATTER WHAT, AND PLANT OUR SEED AS MANY AS WE CAN. THAT IS THE ONLY WAY THAT WE CAN ATONE FOR OUR SIN AGAINST THE HUMAN RACE!
Beauty...

will save this world!
The theory of DNA seed which should be planted three times a year
HAHAHA! I WILL TRY TO LIFT THIS CURSE AND TRY HARD TO MAKE OUR SUPERB MONTROSE DNA REACH FAR AWAY PLACES FOR HUMAN RACE.
HEH.. YES, YES! SPECIALLY EXCELLENT PEOPLE LIKE US ALWAYS HAVE A HARD LIFE-
What are this idiots, father and son...

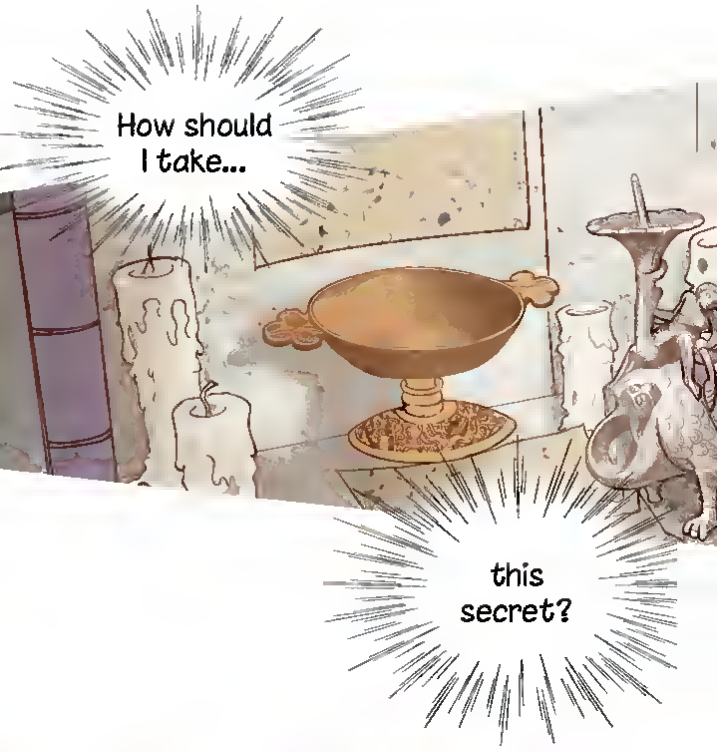
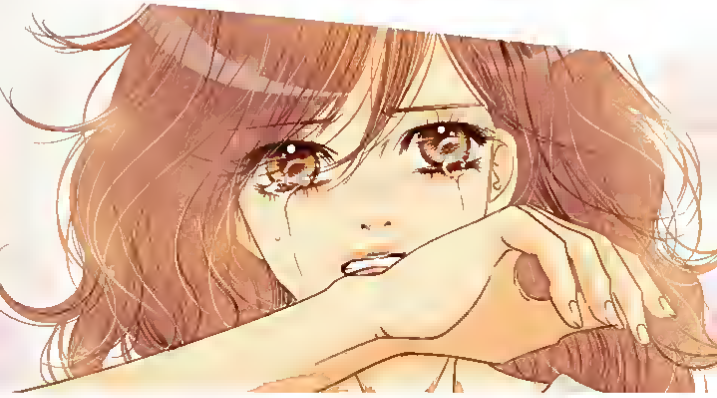
Right
now,

What am I seeing...

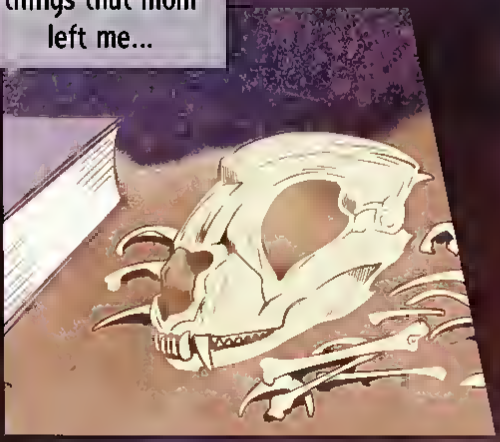
What is all
these, mom?





Why did I cry?

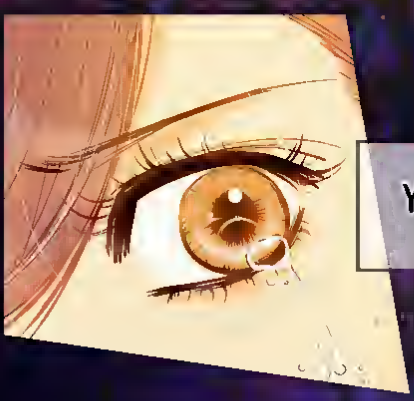
The strange things that mom left me...



and the spell documents with mysterious drawings which looked hundreds years old.

seemed like they have been waiting for me for o long time.

...started talking to me.



You are...

You are...

a Witch.

continued in next episode...
